
Lord Mayor's Celebrity Cricket Match

Sunday 4th July 2010 - Windsor Castle

The Appeal

The London Symphony Orchestra and The Cricket Foundation are the two principal beneficiary charities of The Lord Mayor's Appeal 2010. Having identified a shared ambition to enhance the lives of young people in London, the two organisations have joined forces under the banner of the Appeal to create Pitch Perfect. Pitch Perfect aims to generate significant funds to bring dynamic musical and cricketing opportunities into schools and their communities in London's most challenging boroughs.

The Event

The Lord Mayor has invited a host of cricketing stars to play in a twenty over match in the beautiful surroundings of the Royal Household Cricket Club at Windsor Castle. Confirmed players include Andrew Strauss, Ricky Ponting, Michael Vaughan, Michael Hussey, Mark Nicholas and Mike Gatting, and you could join them - we have a limited number of public places available to join the Lord Mayor's team.

Players will not only have the opportunity to demonstrate their cricketing prowess in the match, but will also be joined at lunch and tea by a celebrity cricketer, and will take home a printed scorecard and photographs of the day, as a memento of this unforgettable occasion.

With just 250 guests, this will be an intimate and exclusive occasion. In addition to a magnificent day of cricket, guests will be treated to a Pimms reception, BBQ lunch with wine, traditional English afternoon tea, and entertainment from host Mark Nicholas.

Featuring an array of stars and an exclusive venue, this is the perfect opportunity to support the Lord Mayor's Appeal while enjoying a relaxed day's cricket. All funds raised from the event will help to provide vital cricketing and musical opportunities to disadvantaged young people across London through Pitch Perfect.

Place to play in the match and a table of ten (nine + celebrity): suggested donation of £7,500 - £10,000

Table of ten: suggested donation of £5000

Individual ticket: suggested donation of £500
